

DAYTONA STANDARDS

What other builders call *add-ons* or *upgrades*, we call **standards**.

CABINETS TO THE CEILING

For that modern and luxurious look (and easier cleaning)

SOFT CLOSE DRAWERS

No risk of slamming and scratching

GARAGE FLOOR DRAIN IN FRONT ATTACHED HOMES

So snow and water puddles have somewhere to go

SPLATTER CEILING

For a smoother, cleaner, and less popcorn-y look

INSULATED FOUNDATION

Our Platon membrane wrap and Blue Goo sealant prevents water leakage and moisture problems

CONSISTENT TEMPERATURES

Our Even Air Zone (EAZ) System ensures that temperatures throughout your home remain within a 1°C variance
